What you are covered for

In this section, we explain what benefits you are covered for, and any conditions that apply to those benefits. General exclusions also apply – see page 6 **What we do not cover**.

We pay 100% of the benefit amount to the beneficiaries if the insured person dies.

FOR REFERENCE

Making a claim

Claiming this benefit

To claim for this benefit, we need to receive signed claim documents and any other information that we need. We will not be able to process your claim until we receive this information and your signed claim documents.

We are not responsible for any of the costs of filing any forms or getting any documents or reports needed for the claim.

What you or the beneficiary needs to do

You or the beneficiary must make every effort to send your claim to us within 90 days of the insured person's death as it is difficult to assess claims after this period. Your claim will not be declined or reduced if there were good reasons why you could not send us your claim on time.

When the unexpected happens, we're here to help. Just call our Customer Connect Hotline on +632 8888 8388 and we'll help you with your claim.

Claims may be delayed or even declined if they are sent in after 90 days. Don't risk it!

What we will do

We will assess your claim, and if it is valid, we will pay the benefits less any unpaid premiums.

Taking unpaid premiums from benefit payments

If there are any unpaid premiums, we will deduct these amounts from the benefit payment when we pay it.

What we do not cover

This policy has certain exclusions, meaning situations where we will not pay the benefits. We list below the exclusions that apply.

Exclusions that apply to death benefit

Suicide or self-inflicted act

We will not pay the death benefit if the claim arises from attempted suicide or a deliberate self-inflicted act by the insured person while sane within two years after this policy's effective date, or last reinstatement date. In this case, we will return all premiums you have paid to the beneficiaries.

We will pay the benefit if the insured person committed suicide while insane at any time.

The main people under this policy

We refer to the policy owner, insured person, and beneficiaries throughout this policy document. This section explains who they are, what rights they have, and how they are treated under this policy.

Policy owner (you)

You (the policy owner) own this policy, and your details are shown in the policy data page or endorsement. Only you can make changes to, or enforce any rights under this policy.

You receive all the benefits under this policy, except for the death benefit which is paid to the beneficiaries.

! If you have any irrevocable beneficiaries or assignees, you will need their permission to make certain changes to this policy. See [page 10 Types of beneficiaries](#) for details.

Using this policy as collateral

You can choose to assign the benefits under this policy to someone else (assignee) as collateral for a loan. We will only recognize a policy assignment if we have made a record of it, and issued to you with a policy endorsement.

What you need to do to assign your policy

You need to provide us a signed and notarized collateral assignment form along with any additional information we need. Call our 24/7 Customer Connect Hotline at +632 8888 8388 and they will guide you through the process.

What we will do

We will make a record of your assignment, and provide you with acknowledgment in writing.

We are not responsible for the effect, sufficiency or validity of any assignment.

Insured person

This is the person you chose for us to protect under this policy. The policy insured can be the policy owner. We will pay the death benefit upon the death of this person.

Beneficiaries

The beneficiaries are the people you chose to receive any amounts paid under your policy when the insured person dies. You can appoint one or more beneficiaries, and you can decide how much of the death benefit each beneficiary will receive.

Beneficiaries receive the death benefit under this policy. Beneficiaries cannot receive any other benefit under this policy, and they cannot make changes to this policy.

Types of beneficiaries

When you choose your beneficiaries, you classify them as 'revocable' or 'irrevocable', and 'primary' or 'contingent'. These choices affect how easily you can change your policy, and who is first in line to receive the benefits. You can choose any legal entity (including a corporation, partnership, charity, or trust) to be a beneficiary.

Revocable or irrevocable

Your beneficiaries will be revocable or irrevocable.

Revocable

If you make all of your beneficiaries revocable, you can make any change to your policy without the permission of your revocable beneficiaries.

Irrevocable

If you make any of your beneficiaries irrevocable, you need written permission from all of your irrevocable beneficiaries if you are making a change that will reduce any death benefit they can receive under this policy.

Beneficiaries are considered to be irrevocable if you made no changes to your beneficiaries while the insured person was alive.

Revocable

Policy can be changed any time

[OR]

Irrevocable

Must agree to change the policy

Primary or contingent

Your beneficiaries will be primary or contingent. Primary beneficiaries are first in line to receive the death benefit. If there are no living primary beneficiaries, we will pay the death benefit to the contingent beneficiaries, if any.

Contingent beneficiaries are the back-ups for your primary beneficiaries. They only receive a benefit if there are no primary beneficiaries.

Primary

We will pay the entire death benefit to the surviving primary beneficiaries in the specific shares you have chosen. If you have not chosen any shares, we will pay them in specific equal shares.

Contingent

If there are no living primary beneficiaries, we will pay the entire death benefit to the surviving contingent beneficiaries, if any, in the specific shares you have chosen. If you have not chosen any specific shares, we will pay them in equal shares.

Primary

First in line

[OR]

Contingent

Second in line

Substitute beneficiaries

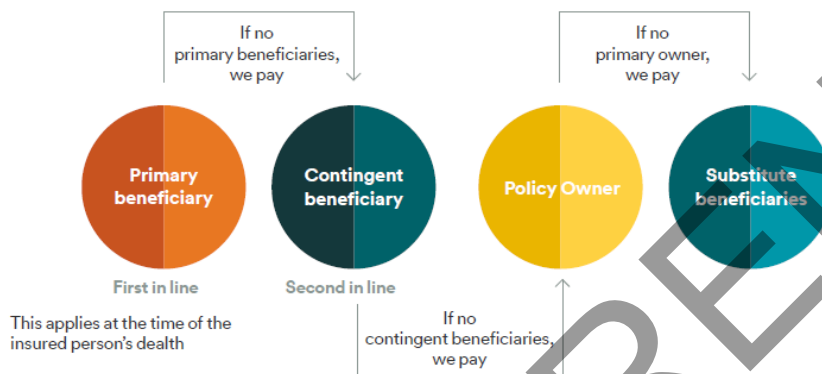

We think it's important to be ready for anything, so your policy has rules if there are no primary or contingent beneficiaries when the insured person dies. This may happen if the beneficiaries have been disqualified by law, or if they die before the insured person.

Should this happen, we will pay the policy owner the death benefit in the event of death. Otherwise, we will pay the death benefit to any of the surviving relations of the insured person's:

- legal spouse;
- legitimate children;
- illegitimate children;
- parents;
- brothers and sisters; or
- half-brothers and half-sisters.

If we cannot pay any of the people above, we will pay the death benefit to the insured person's estate.

Beneficiary payment order

Changing a beneficiary

You can change or add a beneficiary at any time before your policy ends. If you have any irrevocable beneficiaries and you want to:

- reduce the death benefit share of the irrevocable beneficiaries; or
 - remove any of the irrevocable beneficiaries;
- you need to get the consent of the current irrevocable beneficiaries whose death benefit may be reduced, before we can make the change.

What you need to do

To change the beneficiary, you need to tell us in writing and give us any other information we need (including the consent of any of the irrevocable beneficiaries).

What we will do

We will provide a letter documenting the change.

Premiums

You may renew your coverage until age 99 by paying your premiums regularly.

We have the right to change the premium for this policy if approved by the Insurance Commission. If we do, we will notify you at least 45 days before your renewal date.

When you need to pay your premiums

When you apply for this policy, you will be told how much you need to pay and when the premiums are due (the premium due dates). You need to keep paying your premiums until the date shown on the policy data page.

The frequency of your premiums for this policy (for example every quarter, semi-annual, or once a year) will be shown on the policy data page.

When you renew your policy, the amount you need to pay may change depending on your age.

You will enjoy No Premium Increase after every 5 years if you continually renew your plan on time. This applies to both this base plan's premium and any supplementary rider which you may have.

What happens when you do not pay your premiums

31-day grace period

We give you a 31-day grace period after the premium due date to pay the premium. This policy will continue if you pay the premium within the grace period. If we do not receive the premium within the grace period, your policy will end.

Keeping it legal

Contract and governing law

This policy is a legal contract of insurance between you and us, and is governed by Philippine law.

Under this policy, we agree to provide the policy benefits, and you agree to keep to the terms and conditions of your policy.

We rely on your information

We relied on the information you and the insured person gave us during the application process to provide you with this policy. It is important that you and the insured person had given us complete, correct, and true information, as this information helped us decide if you and the insured person were eligible for this policy, and what you needed to pay.

You must let us know immediately if the information you or the insured person gave us was not complete, correct, or true. If you don't let us know and don't provide complete, correct, or true information, your benefits under this policy will be affected and, in some cases, we may cancel this policy.

Incorrect age or sex

If we discover that we were given the incorrect age or sex for the insured person, we will adjust the benefit amount of this policy to reflect the correct age and sex.

If the insured person was not eligible for insurance coverage at their correct age or sex, we will treat this policy as having never existed, and we will refund all premiums you have paid for this policy.

Contestability

We can contest (dispute) the validity of any claim within two years from the effective date or the date we last reinstated this policy (whichever is later) if we discover that you or the insured person did not give us complete, correct, or true information when you applied for this policy.

We cannot contest (dispute) the validity of any claim after the two-year period unless we are allowed by law or jurisprudence.

If we contest (dispute) a claim, we will review the claim and decide if we have any reason to treat this policy as having never existed. If we do, we will not pay any benefit,

and we will refund all premiums you have paid (to you or to your beneficiaries).

Time limit on legal action

No one can take legal action in connection with this policy after five years from the time the reason for the legal action arose. Legal actions done on this policy can be made anywhere within the legal jurisdiction of the Philippines.

Payments under your policy

All amounts paid to us, or by us, in connection with your policy will be paid in the currency shown in the policy data page.

We will only make payments in the Philippines.

Payments are not adjusted for inflation or deflation

Article 1250 of the Civil Code of the Philippines does not apply to any payments under your policy. Article 1250 says:

“In case an extraordinary inflation or deflation of the currency stipulated should supervene, the value of the currency at the time of establishment of the obligation shall be the basis of payment...”

No adjustments are made if there is an extraordinary rise or fall in the value of the currency you chose for your policy.
